Pediatric Sleep Help
Presented by: Alicia Birdsong
March 11, 1:00 pm

Pediatric sleep consultant Alicia Birdsong discusses what to expect in terms of sleep during the first few months of life. New and expecting parents will learn the importance of sleep as it relates to ADHD and depression in sleep deprived mothers. Alicia can also address sleep issues with toddlers and preschoolers.

Join us the 2nd Tuesday of each month at 7:00 pm at Draught Horse Brewery

Join us for our next Books & Brews meeting as we discuss **"Eleanor & Park" by Rainbow Rowell**. Meet us at **Draught Horse Brewery at 57721 Grand River Ave. in Lyon Township, on March 14 at 7:00 pm.**

Please join us for lively, opinionated discussions. Just ask for the book at the front desk - there are copies available for everyone. We welcome all readers & ideas! Check our website for updates and join our online discussion forum on [Goodreads](#).

Tai Chi for Health
Wednesdays at 6:00 pm

There will be no Tai Chi on March 1 & 22

[Check the calendar](#) for complete program dates! Classes are free, please bring your own exercise mat.

Tai chi is an ancient Chinese tradition that, today, is practiced as a graceful form of exercise. It involves a series of movements performed in a slow, focused manner and accompanied by deep breathing. Originally developed for self-defense, tai chi has evolved into a graceful form of exercise that's now used for stress reduction and a variety of other health conditions. Often described as meditation in motion, tai chi promotes serenity through gentle, flowing movements.

Skywarn Spotter Training Classes

Skywarn is an effort to save lives during severe weather emergencies by expanding networks of spotters and by encouraging the widest possible participation in tornado warning programs. Skywarn training sessions are held to train individuals on how to accurately observe such weather phenomena as floods, hail, wind and its associated damage, cloud features that lead to tornadoes, and those cloud features that do not lead to tornadoes. The class covers what information to report and how to report it. Basic severe weather safety is also covered. Classes are FREE and last 1.5 hours.

We are now offering SCOLA!

We are happy to announce a new partnership with **SCOLA**, a nonprofit educational organization that receives and re-transmits foreign TV programming from around the world and provides other foreign language resources, language lessons and learning materials. SCOLA is a valuable source for language learning and cultural studies.

[Click here to learn more about SCOLA.](#)

You can access SCOLA on our library computers, or on your Android or iOS device by downloading the SCOLA app and logging into the LTPL account. For information on downloading the SCOLA app, **[please click here to contact library staff who will provide instructions.](#)**
