## Lyon Township Public Library

Established in 1956, the Lyon Township Public Library serves a growing community in the southwest corner of Oakland County. The library is committed to providing an environment where lifelong habits of learning, self-improvement, and self-expression are encouraged and where patrons can meet their educational, informational and recreational needs. The library provides access to and assistance in using emerging technologies which serve as a gateway to information resources within and beyond our walls. The library responds to the needs of users by providing well-organized and up-to-date collections with professional service and a well-trained staff.

# Adopt-a-Book @ the Lyon Township Public Library

## What is the Adopt-a-Book Program?

The Lyon Township Public Library's Adopt-a-Book program provides a unique opportunity to combine a love of books and learning with the aspiration to support library development and growth.

Your contribution of \$25 allows the library to purchase a book to help in our continuing quest to develop an outstanding library collection that meets the needs of the Lyon Township community.

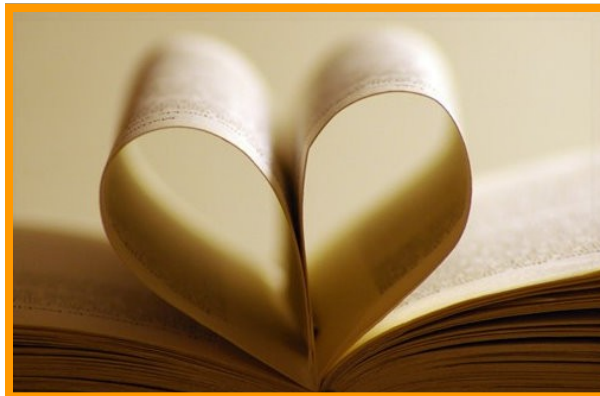

All Adopt-a-Book donations are tax deductible.

## What books can I adopt?

Is there a specific item you would like to see in the library? Is there a subject area you would like to see more of? Would you rather let us choose an item for you? These are all options available to you in this program.

## Acknowledgement of donation.

The Adopt-a-Book program provides an excellent opportunity to honor individuals, family members, or friends with a commemorative bookplate. You could also have a bookplate stating that you are the one who made purchase of the book possible. Alternatively, you can remain anonymous.

## Adopt-a-Book is a perfect commemorative gift for:

- Birthdays
- In Memoriam
- Anniversaries
- Retirements
- Graduations
- Receiving a scholarship or award
- Winning an athletic championship

### Attention parents & grandparents!

A child's birth or birthday is a great occasion to adopt a children's book for the library
