Bookworm Garden Club

We will do a garden check to see what is happening in the garden and what we should be looking for. We will discuss the impact that the weather has on our garden and what we have planted. We will also make garden displays for the library.

LTPL Seed Sharing Library

Come in and "check out" some seeds from our new Seed Sharing Library! The LTPL Seed Sharing Library is a free program that lends seeds and encourages borrowers to return some seeds from their harvests to make the seed library self-sustaining. We are using our former card catalog to house and organize the seed collection.

LTPL Grows

LTPL Grows is an initiative that continues to build on our library's successful line-up of sustainable living programming. It began with our Seed Sharing Library, in which people can borrow seeds and grow them to produce food and then save seeds from their crops and return them to the library when the season is over.

Last fall we debuted our Demonstration Garden to the public. The garden plot was designed and built by **Matthew Deeds** as his Eagle Scout project.

Neighborhood Library Association
